About Us

Our company, which started production in 2010 with the brand “Dr. Hiba’s”, has many quality certificates such as CE 1023, ISO 13485, ISO9001.

Aiming to provide its customers with world-class products, Anzee Medical Textile & Devices has succeeded to be one of the most reliable companies in domestic and foreign market for disposable sterile drapes, gowns and surgical sets.

In order to present products with international standards to the market, our company continuously renews itself and gives utmost importance to research and development.

With the brand “Dr. Hiba’s”, our company strives to become the rightful choice of our hospitals with its increasing product diversity and capacity.

Anzee Medical Textile & Devices has been expanding its product range continuously with the latest technology equipped devices that it adds to the production line every year.
